### Mortuary Report.

In the report of C. B. Reynolds, Agent for the Board of Health, we find that during the month of May there were fifty-three deaths in Honolulu. Of this number thirty-seven were males and sixteen females. The greatest number of deaths resulted from fever, paralysis and consumption, five each.

Of the total number of deaths there were of nationalities as follows: Hawaiians, 23; Chinese, 14; Portuguese, 5; Japanese, 5; Great Britain, 1; United States, 1; other nationalities, 2.

The comparative statement shows an increase of deaths over the same months in each year since 1891.

### Nothing Like Success.

It is said that the Hawaiian Gazette Co. having outgrown its present quarters will move into a new building on the Von Holt property on King street as soon as it is completed. The arrangements for the structure were completed by Mr. Paris before his departure for the Coast, and it is understood that the machinery he will buy during his visit east will arrive here about the time the building is ready.
